2018 Indoor Vendors Policies & Procedures

The following policies and procedures apply to all indoor vendors, including arts & crafts people, political organizations/candidates, community and civic organizations, multi-level marketers, and commercial businesses.

Please read the entire document before submitting your application. Arts and crafts vendors are selected through a juried process; guidelines are provided on pages 6-7.

Deadline:

Applications must be received with full payment by July 27, 2018. After July 27th, applications will only be accepted if space permits and full payment is made online or by credit card.

How to Apply:

Please fill out an application form online at www.arlingtoncountyfair.us/buy-booth. You will receive an email copy of your order for your records. Booth fees may be paid by check, PayPal or credit card (Visa or MasterCard).

Application Confirmation:

Your application will be acknowledged via email within 5 business days of receipt to the email address provided on your application. If you do not receive an email in this time frame, please send an email to vendors@arlingtoncountyfair.us so that we can check on your application.

Cancellations:

Full refunds will be made if you provide written notice of cancellation before July 27th. After this date, no refunds will be permitted. If you do not show up at the Fair, your exhibitor fee will be forfeited. Written notice may be provided by email to vendors@arlingtoncountyfair.us or by US mail postmarked by the deadlines above to PO Box 40244, Arlington, VA 22204.

Booth Assignments:

Booth assignments are assigned on a first-come, first-served basis and are not negotiable. Specific booth assignments will be distributed via email no later than August 10th. Due to limitations on available space, the Fair Board cannot guarantee booth space for all applicants. We also cannot guarantee the same booth location as in prior years. In the case that changes to booth assignments are necessary after August 10th, you will be notified by phone.

Booth Sharing:

Two crafters or two non-profit organizations may share a booth. You must list both crafters or organizations in your application in order to have both listed in the Fair Program and on our website.

Booth Set-up Times/Requirements:

Booths may be set-up on Thursday, August 16th, from 4 - 7 p.m. and Friday, August 17th, from 1 - 4 p.m. Booth set-up must be complete by 4 p.m. on Friday, August 17th when the indoor vendors area opens to the public. **All booths must remain in place and be staffed during the total operating hours of the Fair.** Vendors who do not comply may not be permitted to participate in the Fair in future years.

Booth backdrops and sides must not exceed 8' in height. Vendors may use the frame from an easy-up tent, but are prohibited from using a tent canopy due to fire regulations.

We request that all vendors display the name of their booth in a prominent place, either on a backdrop or table. This will help patrons locate your booth.

Sharp or pointed objects that touch the floor are not allowed. Steps need to be taken to make sure proper glides or cushions are in place on all items that may puncture or scratch the floor. If display panels have rough edges, please use additional protective floor coverings. Do not slide objects across the gymnasium floor. All temporary points should be indicated using rubber gym floor tape. Never use magic markers to mark floor surfaces.

Vendor Check-in:

Vendors may enter the front parking lot at the Thomas Jefferson Community Center for 15 minutes to check-in and unload their vehicle. A representative from your organization should check-in at the Registration Desk located inside the Community Center, to the left of the main doors. He/she will sign in and **receive two parking passes and two exhibitor badges to be shared by those using your booth.** Only vendors with an ID badge will be permitted to enter the Indoor Vendor area outside of regular Fair hours.

Volunteers will be on-site to help move items from your vehicle to your booth space. We will also provide a limited number of loading carts and dollies for your use. Once you have unloaded your items, you must move your car to the main vendor parking lot. For your protection, it is recommended that you leave someone with your items at your booth while moving your vehicle. The Arlington County Fair is not responsible for the security or protection of your booth or items.

Booth Screening:

On Friday, August 17th, and throughout the Fair, Fair Board members will screen all booths. The Fair Board reserves the right to request the removal of inappropriate displays or adjustment of booth display/contents in order to comply with these guidelines.

Booth Breakdown:

Booth removal will take place Sunday, August 19th, **not to begin earlier than 7 p.m. and must be completed by 9 p.m.** Vehicles will not be permitted to pull into the front parking lot to load items until 7 p.m.

Volunteers will be on-site to help move items from your booth space to your vehicle. We will also

provide a limited number of loading carts and dollies for your use. Detailed load out procedures will be provided to each vendor on-site.

In order to maintain a secure environment and prevent the general public from entering the building during this busy time, only the main entrance/exit to the indoor vendors area will be available to move items to your vehicle. Vendors who do not comply may not be permitted to participate in the Fair in future years.

Parking Passes:

A limit of **two parking passes** will be available to each vendor at the Registration Desk when you check in at the Fair. These passes are provided for our working vendors only, and are not to be shared with friends or family attending the fair. Anyone found to be sharing their pass will have their parking privileges immediately revoked. Due to repeated requests from vendors in the past, we have also retained a towing agency who will be working to clear the parking lots of any vehicles found not to have a proper parking pass. Please ensure you display this tag at all times. Additional passes will not be distributed if yours is lost or forgotten.

Electricity:

There are a limited number of booths where electricity is available. Advance payment is required. Vendors using electricity must supply their own 12-gauge heavy-duty extension cords. Hot places, microwaves, and any kind of warming/heating devices are not permitted.

Tables and Chairs:

Vendors may bring their own tables and chairs. Advance payment is required if you would like to rent either from the Fair. All rented tables will be 8'. Please do not remove tables or chairs from other booths.

Business License:

The Fair Board purchases an Arlington County Business License providing blanket coverage for all vendors who conduct business at the Fair. This includes a Hazardous Use Permit for vendors who use compressed gas cylinders.

Sales Tax:

Each vendor is responsible for charging Virginia State Sales Tax and submitting the ST-50 Temporary Sales Tax Certificate/Return to the Virginia Department of Taxation.

Security:

Overnight security is provided. However, the Fair Board is not responsible for theft or personal injury.

Contests, Raffles, Etc.:

All vendor contents including, but not limited to raffles, drawings, and contests with prizes to be awarded after the Fair must receive prior approval from the Fair Board. The Fair Board is not responsible for the management and administration of vendor contests. All raffles must comply with State law. Questions should be directed to the Virginia State Gaming Commission.

Roaming Solicitations:

Distribution of literature, products, services, items for sale, raffles, prizes, baked goods, etc. must take place within your booth space. No roaming promotion of any kind is permitted.

Food/Drink Sales:

Indoor vendors who plan to serve food or drinks, such as baked goods or bottled water, are subject to Arlington County Environmental Health Bureau guidelines and permit requirements. Contact (703)-228-7400 for more information.

Gas Cylinders:

All bottled gas cylinders must be secured. If you have helium gas cylinders, you must bring your own approved holding stand/cart to which you can secure your cylinder. Gas cylinders that are not properly secured will have to be removed from Fair premises in accordance with Arlington County Fire Department regulations.

Live Animals:

All animals to be displayed or exhibited must be pre-registered with the Fair Board and Arlington Animal Control. Arlington County Animal Control will remove any animal that is not pre-registered from the Fair premises.

Audio Devices:

Any exhibitor using audio devices, such as televisions and radios, must ensure that the devices are adjusted so as not to interfere with the activities of nearby vendors.

Announcements:

The indoor PA system is for Fair Board use only and will include announcements regarding emergencies, notifications to vendors and patrons, and updates on Fair programming. Announcements regarding vendor contests, promotions, and activities are not permitted. We ask that all vendors be patient and tolerant of announcements, as the acoustics in the gymnasium are not ideal and some announcements may need to be repeated.

Clean-up/Spills:

Please keep your booth area clear of trash and debris. All spills should be reported immediately to Fair's Information Desk so that the appropriate custodian may be contacted.

No Smoking Policy:

Arlington County Ordinances Prohibit Smoking in all public buildings as well as on the outside grounds.

The Fair Board may alter these rules at any time. If changes are made, notification will be provided on our website and a reminder will be provided in the email with your booth assignment. Questions regarding the vendor application or policy and procedures should be submitted to the Fair Board via email to vendors@arlingtoncountyfair.us for clarification prior to submitting an application.

- Work must be original and executed by the accepted artist.
- Works produced with commercial kits, molds, patterns, plans, prefabricated forms, or commercial methods are NOT eligible. T-shirts and commercial clothing are not eligible. These items are considered commercial business products and the exhibitor should use the Fair's Commercial Vendor Application.
- Studios that produce works in volume (mass production) are not eligible.
- Only limited edition prints from one source, hand-pulled, signed, and numbered by the artist will be permitted.
- Prints of photographs made from the artists' original negative must be hand-processed, signed and numbered by the artist.
- Paintings, graphics, prints, and photographs must be appropriately displayed in a suitable portfolio or stand, hung matted or framed.
- Ceramics must be handcrafted by the artist.
- If multiple pieces of the same design are displayed, each must be signed. Only artists who have been accepted into the jewelry category are permitted to display and sell jewelry.

- No products sold may be used or secondhand.
- Two or more artists may share one 10'x10' or 10'x20' booth space, if desired. However, you must list all the artists involved in your booth on your application in order to be listed in the Fair program and on the master booth layout.
- Artists may exhibit and sell only products that were represented to and accepted by the jurying committee. If an artist changes media, he or she must present the new products for screening.

Submission and Screening:

Applicants are screened by a three to five-person panel that makes its recommendations to the Fair Board.

Criteria for Fair participation include: artistic quality, craftsmanship (including safety and durability), marketability, the artist's ability to provide an adequate inventory, and, from a management perspective, the creation of a balanced presentation of products.

The screening panel makes its determinations on the basis of the artist's written application and a minimum of 3 and up to 6 images of the work the artist wishes to be considered. Email good quality, clear, legible prints and/or digital images (.jpg or .pdf) to vendors@arlingtoncountyfair.us. All prints and images are considered as a representation of the artist's work. Poor prints or images may affect the selection process. Do not include any other images or files in your email.

The screening panel reserves the right to dismiss an artist if the work is not accurately represented in the screening images or does not appear to be in compliance with entry regulations.

Previous acceptance and participation in the Fair does not guarantee approval.

During the Fair, there will be an on-site review of each display by at least one member of the screening panel. Occasionally artists may be asked for permission to use specific images for publicity purposes.
